PYTHON FOR  
DATASCIENCE:FUNDAMENTALS

# Karndeep Singh

Data Scientist at Codemonk | YouTube | Machine Learning | Deep  
Learning | Natural Language Processing  
Bengaluru

## Summary

I am an Engineer who got into studying data science, takes pride  
in building models that translate data points into business insights.  
Used my skills in Live Datathon challenges, now eager to apply the  
same knowledge to real-world business problems.
