Doug H.

Software Engineer at Facebook
New York

Summary

I write a free newsletter geared towards Software Engineers, where I talk about how to ace your Coding Interviews and give industry news
-> <https://quastor.substack.com/>

Experience

Quastor

Co-Founder

August 2020 - Present (1 month)

Free Daily Newsletter for FAANG Software Engineers.

I send out the top news for the tech industry and also send a FAANG interview question + detailed solution.

Check it out here -> <https://quastor.substack.com/>

Facebook

Software Engineer

July 2018 - Present (2 years 2 months)
